Learn Differently. Achieve More.

From Learning Differences to College Success: A Guided Journey

A 9-week course for parents who need guidance with their child's college planning

*Did you know that not all colleges provide the same level of support services?
Do you know how to increase your child's likelihood of success as a college student?
Do you know the options if your child is not ready for college?*

What this practical course will teach you...

- The importance of academic, social, and emotional readiness
- Fostering independence and self-advocacy
- Researching and visiting colleges
- How to develop a list of "good fit" colleges
- How to apply for SAT/ACT accommodations
- The range of support services available on college campuses
- Documentation needed for college accommodations

Do you want to help your child develop into an independent, resilient, and capable young adult?

***Register today to take advantage of my proven step-by-step process
for finding the college where your child can thrive!***

Start date: Tuesday, October 24, 2023 from 12:00 - 1:00pm

To learn more or to register, go to [A Guided Journey](#) or contact Jean at info@basseducationalservices.com (Limit: 10 participants)

Judy Bass, CEP is the founder of Bass Educational Services, a full-service consulting firm that serves the needs of students with all kinds of learning challenges. Judy has spent more than 20 years working directly with families of students who learn differently, helping them find colleges where their children can thrive and succeed.
